

Enchantment Encumbered is the first -- and so far the only -- book written for people whose practice of Wicca is restricted. From MEM's viewpoint, the most important thing is that it's the first book that meets inmates' needs. But the truth is that inmates aren't the only people who have to practice austerely, and there just aren't any books out there for people who can't use all the Tools and make all the choices most of us take for granted. **Enchantment** collects a complete Book of Shadows, a time line, glossaries, a review of some major Wiccan authors, an overview of Asatru and Druidry, advice on how to tell Witchcraft from "Witchcrap," a look at some of the relevant mythology . . . and more! It's nitty-gritty for beginners, and offers a fresh perspective to veteran practitioners. And it's invaluable to those whose jobs require them to know the truth about Wicca.

The publisher hasn't given us a firm date -- or price -- for **Enchantment's** availability, but . . . Watch this space for more information! When it's ready, you'll be able to order it on-line from www.OutskirtsPress.com, or from Aradia Designs at P.O. Box 26278, Tucson, AZ, 85726 -- and, we hope, through other outlets. (MEM will not be selling **Enchantment** directly.)
